

EQUIP-SAFE EQUIPMENT & SAFETY COURSES

Orange Card Combo - Scissor Lift, Boom Lift (up to 11 metres) and Work Safely at Heights

CTF FUNDED SAFETY & EQUIPMENT TRAINING FOR WA APPRENTICES

The Construction Training Fund (CTF) is subsidising 70% of the course fee for apprentices enrolling in our Orange Card Combo course. PLUS - if the apprentice is employed by an ECA WA Business Member, ECA WA will contribute the remaining 30%, making the training 100% free!

OVERVIEW

The Orange Card Combo provides you with nationally accredited training to operate Scissor Lifts, Boom Lifts (up to 11 metres) and working safely at heights.

This training consists of the following units of competency (please note that all 3 units must be completed over 2 consecutive days):

- RIHAN301E - Operate elevating work platform
- CPCCCM3001 - Operate elevated work platforms up to 11 metres
- RIWHS204E - Work safely at heights

CONTENT

This comprehensive two-day course offers instruction on operating and understanding the potential risks involved in use of Scissor Lifts, Boom Lifts (up to 11 metres) and working safely at heights.

You will learn:

- Checking for hazards and the appropriate control measures
- Set-up, pre- and post-start inspections
- Emergency response and parking procedures
- Following manufacturer guidelines for safe operation
- Operating in confined areas
- Working at elevated heights

- Conducting post-work inspections
- Maintaining the EWP log book, including logging faults and checking maintenance requirements.

You will also be provided with the knowledge and skills you need to work safely at heights in accordance with industry requirements.
